## What better way to give your child a positive, energetic summer of fun?

Our summer camp includes two karate classes per day, arts and crafts, group games and walking trips to local parks and lakefront.

In FMA's summer program, kids not only get quality karate training, they also receive special stripe and belt promotion tests. They'll learn firsthand the benefits of training and focused effort, and return to school with visible progress and accomplishments they can be proud of. And they'll have spent an active summer having fun and making new friends!
